Do you want to go beyond what’s possible?

Internship in Procurement (m/f)

Are you a full-time university student and you're already thinking about what's next? We're looking for outstanding students who would like to join EU Procurement Team and work with us on innovating and improving our processes.

As a Purchasing Intern you’ll frequently be exposed to multiple internal stakeholders, suppliers and remotely with cross-functional teams including Fulfillment Center Operations, EU Category Management Procurement and Senior Management. Your main tasks may include participation in the implementation of new processes and tools within the EU Procurement organization, support of the team in continuous improvement of tool functionality, bug-fixing and process efficiency, learning how to generate reports and dashboards to monitor performance, support of the execution of timely payments processing, help in driving compliance in procure-to-pay cycle, liaising with suppliers to support development of good business relationship, building effective stakeholder relationships, ensuring a high service level in terms of SLAs.

With us, you can have a hand in creating the future.

About you

We are looking for ambitious and enthusiastic students with enough personal drive and enthusiasm to make you stand out from the crowd!

Your profile

• You are currently working towards a 2+ year university degree in Purchasing/Procurement, Business, Logistics or any related field.
• You have the right to work in the country you are applying for.
• Fluent in English, knowledge of a second foreign language is a strong plus.
• Attention to detail, ability to do in-depth data mining,
• A good knowledge of Microsoft Excel
