

Regional Actuary

Do you have passion for numbers, insurance and want to be part of regional team? Are you interested in working in multi-cultural environment and use English on a regular basis?

We are **Euler Hermes**. We are the world's leading provider of trade-related credit insurance solutions with more than 100 years of client support and responsiveness to changing business environments. We are backed by Allianz, one of the leading financial services providers worldwide.

Euler Hermes is looking for a **Regional Actuary** who will become part of Regional Actuary Team and will be responsible for non-life actuary tasks in the Northern Europe Region (13 countries) and Asia Pacific Region (4 countries). Operating from Prague office, you will interact with local, regional and group management.

We would be happy to welcome you in our team if you would like to have the following responsibilities:

- Follow IFRS and SII reserve computation;
- Engage in monthly and quarterly closing process;
- Ensure harmonized methods and relevant / updated process description;
- Ensure actuarial quality methods & participation in audit / pre-review
- Drive data production, business data analysis and usage for computation.

We will be pleased to welcome you in our team, if you have/are:

- University degree in actuarial sciences or mathematics ;
- Knowledge of Non-life Insurance actuarial methods;
- Strong analytical skills and proactive thinking;
- Good knowledge of MS Excel; experience in SAP and/or SAS is an advantage.
- Fluent in English and availability to do some travel.

We offer:

- Dynamic and multinational working environment – small team within a bigger international company;
- Opportunity to learn and grow - on the job as well as language or professional training;
- Open company culture, flexible working hours / possibility of working from home;
- A wide range of employee benefits and modern and easily accessible offices very close to Palmovka metro station (line B).

If you are interested in the position please send us your CV and motivation letter in English at eulerhermes@teamio.eu.
