

INTERNSHIP: GLOBAL TAX COMPLIANCE JUNIOR

Deloitte is a world leading professional services firm, providing accounting and auditing services, management consulting and legal and tax advice. In Belgium we are the largest professional service provider. Our offices offer services to multi-national and large organizations, public institutions and innumerable small, fast-growing companies. Thanks to a strong regional presence and our multi-disciplinary approach, we are ideally placed to meet the requirements of a wide range of public institutions and small and large companies.

Taxation lies at the crossroads of law, business and innovation so it is subject to constant change. We get that. Our young and dynamic team of compliance specialists thrive on this complexity and see the opportunities. It's what keeps us sharp. With experts in corporate, VAT and individual tax, we're a leading tax consultancy that helps our clients align their internal tax processes and data management systems with these changing requirements and assist them in complying with their tax obligations, formalities and claims.

Your Responsibilities

- Help our clients in complying with their tax commitments within your field of expertise, being Global Tax Compliance: offering global and local services of direct and indirect tax compliance, as well as statutory accounting and report processing.
- Assist our specialists with analysis and insights through big data
- Support senior tax specialists at client meetings and industry forums

Your Profile

- You're a student following an Economic Master degree with focus on Accountancy/Taxation, or Postgraduate in Taxation
- You see insights where others just see numbers
- You can turn complex tax legislation into a language others can understand
- You understand the theory behind tax rules
- You have good communication skills and are a reliable team player
- You have good knowledge of MS Office and IT skills in general
- You're fluent in English, any other European language is an asset
- You're available to do an internship anytime between October and August for min 1 month (fulltime)

What's in it for you

- Grow your knowledge of tax-related tools and databases
- Gain hands-on experience working for the country's largest tax practice
- Work with a team of experienced professionals who will coach you, many of them are influential specialists who teach at university and are involved in projects related to innovation of taxation
- Expand your network as you work with colleagues from other Deloitte Member Firms to tackle cross-border tax questions and issues
